2013 - Brochure

Thrill-Seeking Overachievers

Who are we?

We are a collective of 13 individuals, men and women, all dedicated to sports as a central force binding our friendship together. We have sprung out as a registered organization in late 2012 as a result of our friendship, developing from being actively engaged in triathlon competitions. Besides competing in triathlon, we also engage in marathons, cycling events, mountain-bike races as well as cross-country skiing, adventure-races and more crazy stuff, like the Pamplona bull-run.

To this end, we see ourselves primarily as a bunch of thrill-seeking triathletes and will focus 2013 on competing in Ironman triathlons, such as Ironman Frankfurt, Ironman Nice, Mallorca 70.3, Berlin 70.3 and Challenge Copenhagen, along Vasaloppet, Berlin Marathon, Double-Ironman Distances and Amphiebiemannen.

Taken together, not a month goes by, without one of us competing in a race!

What can we do together?

We are here to offer a unique opportunity!

We are here to offer you a unique opportunity to be part of our endeavor - seeking the joy of competing, participating and adding smiles to all of our lives. Collectively we support each other; the *Team Sportivo spirit* permits us to either participate, or cheer for our athletes all around the world! We are engaged in several triathlon clubs in Denmark (KTK, FitnessDK and Tri4) as well as the biggest running club in Denmark, Sparta. This broadens the platform for you and your products, allowing us to further advertise your brands actively among the members of these clubs.

Team Sportivo has existed for less than one year, and rather being a conservative group we are here to develop and further enhance our concept - thereby willing to engage with your company actively in creating and developing a solid unity for the Scandinavian market. We are open for suggestions, and believe a shared vision will pan out in the best result.
